**Students Wearing Sports Kit in Lessons**

**Policy**

At times it is necessary for Students to wear their Sports Kit in Lessons.

**Procedure**

**The students in the following situations will be able to wear sports clothes when not actually doing sports.**

1. Those students who have an official lunchtime sports practice with a member of staff may change at break but must be in correct school uniform for Periods 7, 8 and 9.
2. If students wear sports kit in lessons they **must wear it neatly** and the clothes must not be in a poor state of repair. Track suits **MUST** be worn and the trouser zips must be done up.
3. If a student has a fixture that requires them to travel changed in sports kit they will be permitted to change at the break before they depart.
4. Students who have PE on a Friday and then a sporting activity immediately after lunch as part of the Seckford Scheme will be permitted to remain in sports kit.

**Students may only attend lunch in sports kit:**

- If they have or have had a lunchtime practice with a member of staff
- If a member of staff has arranged it so students can leave early for an away match.
- If they have PE just before lunch on a Friday and then a sporting activity as part of the Seckford Scheme in the afternoon.
