

Woodbridge School BAGS

1 Policy statement

Woodbridge School pupils are strongly recommended to leave their bags securely in their lockers. However bags may be left temporarily in designated areas.

2 Procedure

The only designated areas where bags may be left are:

- The wall on the right when leaving the Redstone building by the library door and before the steps.
- The wall opposite the Science department at the back of the House rooms.
- The wall of the old teaching block opposite the Art department.

Bags may be left no more than two deep.

Any bags left outside these areas will be removed.

The School takes no responsibility if bags go missing, are moved, tampered with, or damaged by the weather.
