## MESSAGE FROM THE MASTER

### Thank You for the Music

I should like to take this opportunity to thank the Year Six and Year Five pupils for the lunchtime recitals they have given. We have all greatly enjoyed the range and quality of music, and the way the pupils have supported each other is extremely impressive. Thank you for two very enjoyable lunch breaks.

### Young Art East Anglia

Congratulations to Zoe Newman who won a prize and to Rohan Franklin and William Woodmansee whose work was highly commended in the recent Young Art East Anglia Competition, which celebrates children's art and raises funds for Cancer Research. I was also very pleased to hear that Sophie Weston, Beth Turner, Georgia Robertson, Freya Finlay-Jackson, Emelia Leggett and Rohan Brooks will have their work displayed.

### Biathlon Success

Well done to Thomas Beagley, Michael Donovan and Cavan Fawcett who have qualified for the British Schools' Modern Biathlon Championships to be held at Crystal Palace National Sports Centre on Sunday, 27 March as a result of their efforts in the semi-finals held in February. We wish you all every success.

### English Speaking Board Examinations

I was delighted to hear how hard the Year Five pupils worked in preparing for their ESB examinations. I am sure that everyone gained from the experience and I do know that the examiners were very impressed by the range of subject matter and the quality of the presentations. Well done to you all.

### Mufti Day

Thank you to all the pupils and their families who supported our Mufti Day in aid of Guide Dogs for the Blind and well done to those pupils who made up their own competitions on the day to help raise more money for the charity. As a result of your generosity we managed to raise £376.04 for this important cause.

### **African Workshop**

On Friday, 4 March Year 2 children enjoyed an African Workshop run by Judy Omasete. The day started with an introduction to Uganda and Kenya by looking at a slideshow of pictures from where Judy grew up. The children then used various artefacts to role-play life in Africa. These included balancing fruit baskets on heads, cooking around a fire, farming, termite harvesting and playing musical instruments. Much fun was had making African necklaces, masks and shields using recycled materials. The afternoon consisted of learning some games that African children would play and also dancing to African music. What a fun introduction to the new topic 'Africa'!
